

# Decision Making Matrix

<b>Factors</b>	<b>Company:</b>	<b>Company:</b>
What would your day to day life look like at the company? Can you see yourself being happy to go to work everyday?		
How would traveling to and from work feel? Petrol and time costs/benefits?		
What is your team like at each company? Can you see yourself working with them every day?		
Does work at either company have an impact on your partner/family? What do they think about each one?		
How long can you see yourself working at each company? Can you see yourself staying there long term?		
Would working at either company be gratifying to you and your career aspirations (long-term?)?		
Other decision-making factors:
